Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: Regarding claim 1, the prior art does not meet or render obvious a stable detection device for a platen gap formed between a head and an upper surface of a platen, in a platen gap adjustment device, the platen gap adjustment device comprising wherein a stable area detection sensor is provided so as to face to a rotational member which rotates synchronously with the gap adjuster cam and a detection object which corresponds to the stable areas of the platen gap is provided on the rotational member and is detected by the sensor.

Regarding claim 9, the prior art does not meet or render obvious a detection object formed on the rotational member, a sensor facing to the rotational member so as to conduct a detection of the detection object and wherein the platen gap is determined based on a result of the detection by the sensor.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marissa L. Ferguson whose telephone number is (571) 272-2163. The examiner can normally be reached on (M-T) 6:30am-4:00pm and every other (F) 7:30am-4:00.
